

Report on the State of the Academy

Dear Friends of Archmere –

We begin a new school year filled with hope and expectation. What we accomplished last year in advancement has been remarkable. The 2021-22 fiscal year was a year of growth and facing challenges. The Archmere Fund totaled \$595,000, exceeding our goal of \$520,000. The Parent Clubs continue to be instrumental in the school's continuing success, raising \$117,120 over the course of the year as we re-instituted several key Auk events coming out of the pandemic. And our Alumni donations increased from the previous year, with \$27,000 earmarked for the Archmere Fund and \$12,000 for the Legacy Scholarship Fund. We are blessed by our loyal parents, alumni, and benefactors. Your generosity speaks to the essence of the Auk community, a community of faith, friendship, humor, and hope.

Our mission remains the same: educating young men and women in the spirit of St. Norbert, a spirit that acknowledges academic excellence and a faith community of inclusion. Your help as supporters of Archmere is imperative for our ongoing success. Ninety years ago, the Norbertine fathers started a school dedicated to academics, faith, and service. We are poised for the next 90 years. As we prepare our students for the challenges of an ever-increasing complex world, we will continue to evolve and improve our innovative academic curriculum. The Archmere Fund directly supports our school operations and programming, as well as scholarship and assistance programs essential for making the school accessible to a wide variety of families.

In the following pages, you will see statistics about the generosity of our donors, along with listings of specific donors, endowed funds, and donors who have chosen to support the Archmere community through planned giving. These numbers and lists are all inspiring examples of the Archmere community stepping up in the Spirit of St. Norbert.

We are grateful for your support of this unique educational community. We ask that you continue to support Archmere as we look to the next 90 years. If you have not made your gift to the Archmere Fund this year, please use the enclosed envelope or visit [ArchmereAcademy.com/giving](https://www.archmereacademy.com/giving). Your support is critical to sustaining our future and continuing to grow the Archmere community.

Gratefully,

John Jordan '80, PP '12, '15, '18, '21
Director of Development and Constituent Relations

Fran '64 and Stephanie Hickman

Francis (Fran) Hickman '64 has many good memories of the friends he made while at Archmere and about his time on the football field. He says that his Archmere experience was an integral part of his maturation. He believes the school continues to build the total personality—physically, academically, and morally, especially by maintaining the Norbertine Catholic traditions.

Fran and his wife Stephanie remain connected to some of his friends from the Class of 1964; they even gather for a Christmas-time reunion when they can. Stephanie has accompanied Fran to many Archmere events over the years. She has been impressed by the consideration that the faculty and staff have for the students, furthering their academic education and all aspects of their lives.

Although retired now, Fran worked for the Boeing Company for 37 years, and he continues to utilize the company's matching gift program to increase his giving to Archmere. Several years ago, he learned about the benefits of the IRA Charitable Rollover, which allows him to make a Qualified Charitable Distribution directly to Archmere through a non-taxable transfer from his IRA. He now uses this method annually to support a dedicated need-based endowment fund that he and Stephanie started at Archmere in memory of his parents.

Make a Tax-Free Gift

You can support Archmere's mission in two easy ways:

Give Today with an IRA Charitable Rollover, also known as a Qualified Charitable Distribution. If you are 70 ½ years or older, you may directly transfer up to \$100,000 per year to a qualified charitable organization, like Archmere. And if you are 72 or older, the transfer counts toward your required minimum distributions and you do not have to pay federal income tax on it.

Include Archmere Academy as a Beneficiary of Your IRA. Not 70 ½ yet? Your IRA is still a great way to give. If you make Archmere the beneficiary of your retirement plan, 100 percent goes to the school tax-free, avoiding the burden of taxes on your heirs, which can amount to as much as 65 percent of retirement plan assets. Consider leaving other, less tax-burdened assets to your heirs, and leave your IRA to Archmere.

For more information on how you can make a gift to Archmere through your IRA, contact:

Founder Society *supporting Archmere*

Planned giving is any major gift, made in lifetime or at death as part of a donor's overall financial and/or estate planning. These gifts include gifts of equity, life insurance, real estate, personal property, securities, or cash. Planned giving also symbolizes the relationship a donor has cultivated with the cause they've given to in order to help secure the future of the organization.

Planned giving preserves a donor's legacy, representing their commitment to positively impacting communities in actionable ways.

Named in honor of Archmere's founder, Abbot Bernard H. Pennings, O.Praem., the Archmere Founder (Planned Giving) Society recognizes the families and individuals who have told us of their intentions to include the Academy in their wills or other estate plans. If you have included Archmere in your plans, please tell us! By letting us know, you are assured your gift will be used as you intend. It also serves as an inspiration for others to do the same.

For more information about **Archmere's Founder Society** and the benefits of joining, contact Katherine Ball-Weir, CFRE, Director of Institutional Advancement, at kballweir@archmereacademy.com, or 302-798-6632, x857.
